

Nature Scavenger Hunt

ILLINOIS BUTTERFLY EDITION

This nature scavenger hunt challenges you to discover and identify 8 species of Illinois butterflies. Did you know that Illinois is home to 150 species of butterflies?

Some butterflies will be easy to discover and some will require careful observation. What other species of butterflies can you discover? Happy exploring and tag us at @lakeviewnaturearea with highlights from your butterfly scavenger hunt!

INSTRUCTIONS:

1. Cut out the scavenger hunt below on the dotted line.
2. Glue or tape it onto a heavy weight paper to add strength and trim off the excess.
3. Take a walk through your backyard, neighborhood, and local parks to locate the butterflies on this scavenger hunt.
4. Use small clips, clothespins, or a pencil to mark off the butterflies you discover in the natural world that surrounds you!
