

Sensory Scavenger Hunt

WHAT NATURE SOUNDS DO YOU HEAR?

This sensory scavenger hunt challenges your skills as a careful listener of nature! Instead of finding specific objects in nature, you're searching your natural landscape for specific sounds. Some sounds will be easy to discover and some will require patient and peaceful listening. What other sounds in nature can you discover? Happy exploring and tag us at @lakeviewnaturearea with highlights from your sensory scavenger hunt!

INSTRUCTIONS:

1. Cut out the scavenger hunt below on the dotted line.
2. Glue or tape it onto a heavy weight paper to add strength and trim off the excess.
3. Take a listening walk through your neighborhood, your backyard, or find a quiet spot in your home near a window.
4. Use small clips, clothespins, or a pencil to mark off the sounds you hear in the natural world that surrounds you!
