

Sensory Scavenger Hunt

WHAT CAN YOU SMELL IN NATURE?

This sensory scavenger hunt challenges your skills as a scent detective! Instead of finding specific objects in nature, you're searching your natural landscape for specific smells. Some scents will be easy to discover and some will require a patient nose. What other smells in nature can you discover? Happy exploring and tag us at @lakeviewnaturearea with highlights from your sensory scavenger hunt!

INSTRUCTIONS:

1. Cut out the scavenger hunt below on the dotted line.
2. Glue or tape it onto a heavy weight paper to add strength and trim off the excess.
3. Take a walk through your neighborhood, your backyard, or even your kitchen to locate the scents on this scavenger hunt.
4. Use small clips, clothespins, or a pencil to mark off the scents you discover in the natural world that surrounds you!
