Pedal It Forward—Sponsor a Community Ride!

The Macomb Park District Bike Fleet will be a community resource to provide hands-on bike safety lessons, skills workshops, & novelty bike experiences in our parks. Your support helps us remove barriers to safe, active recreation & skill building. From youth learning to ride for the first time, to adults gaining confidence outdoors, to families enjoying pop-up bike rodeos—this fleet will create opportunities for healthier, happier, & more connected community experiences.
