

Sensory Scavenger Hunt

WHAT CAN YOU FEEL IN NATURE?

This sensory scavenger hunt challenges your skills as a texture detective! Instead of finding specific objects in nature, you're searching your natural landscape for specific textures. Some textures will be easy to discover and some will require curious exploration. What other textures in nature can you discover? Happy exploring and tag us at @lakeviewnaturearea with highlights from your sensory scavenger hunt!

INSTRUCTIONS:

1. Cut out the scavenger hunt below on the dotted line.
2. Glue or tape it onto a heavy weight paper to add strength and trim off the excess.
3. Take a walk through your neighborhood, your backyard, or even your kitchen to locate the textures on this scavenger hunt.
4. Use small clips, clothespins, or a pencil to mark off the textures you discover in the natural world that surrounds you!
